

Checkpoint Call - Wednesday July 5th: 17:30 - 18:30 (GMT+1)

Attendees

- Astrid van Toor
- Leigh Feaviour
- Panagiotis Koilakos

Notes

- We discussed progress on the presentation so far.
- Very good progress, but some topics make sense to swap between people to help the flow of the presentation so we re-adjusted the flow slightly.
- We agreed to remove the slide with our names on because we believe the presentation should be submitted anonymously.
- We tested recording our individual slides in PowerPoint and then putting them all into the same presentation to export, which worked well so that's how we'll record the final presentation.
